

Spring Break Pilgrimage, 2011
Finding Altars in the World

During Spring Break, St. David's youth are invited to embark on a pilgrimage to [Davis National Park, Texas](#). In our tradition, a pilgrimage is a journey with spiritual significance. Youth will have time for individual and group study, worship and reflection of God's presence in our lives. We will play, hike, camp, eat, and sing together in the fresh mountain air. We'll take time to truly explore the depth and beauty of God's creation. There will also be lots of quality time with good friends over s'mores around the campfire. We'll also get time at the [McDonald Observatory](#) exploring that big bowl of stars. Applications may be found on the [trips page](#) of the St. David's Youth website.
